### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: Claims 8-13 are allowable because the prior art fails to disclose or make obvious, either singly or in combination, an arrangement for introducing radiation energy into a workpiece thereof comprising, in addition to the other recited features of the claim, "said mirror having a hole that is just large enough to allow the beam bundle coming from the second focus point and traveling in the direction of the focusing mirror to pass through without being influenced and through which the beam bundle reflected by the second resonator mirror passes without being influenced and being focused a second time inside the workpiece in a second focus point before subsequently striking the first resonator mirror and being reflected back by the first resonator mirror into the workpiece".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephone B. Allen whose telephone number is 571-272-2434. The examiner can normally be reached on M-F 08:30-5:00PM.
